BCOE Lincoln Center — 1870 Bird Street, Oroville

## Arts and Creativity Through the Common Core

**No Cost: Includes Breakfast, Lunch, & Handouts**  
Space is limited—Register Today!

**Keynote: Victoria Stevens Ph.D.** *Dr. Stevens is a licensed clinical psychologist, psychoanalyst and educator. Her research specialty is the study of the development and inhibition of creativity in children and adults, with an emphasis on the relationship between creative thinking, interpersonal neurobiology, critical thinking, and cognitive processes.*

**Teacher Workshop: Bob Bullwinkel and Kim Morin** *Bob is the Visual and Performing Arts Coordinator for the Fresno County Office of Education and the Region 7 arts leads for central California, following twenty five years as a music and theatre teacher in the Public schools. Doctor Kim Morin, now in her 26th year at Fresno State, teaches courses in puppetry as services-learning and integrated arts education for pre-services elementary teachers. She serves as chair of the Liberal Studies Review Committee and supervises secondary teaching candidates in English/Theater.*

**9:00 — 10:30: Keynote Dr. Stevens**  
**County, School and District Leaders and Teachers**

**10:40 — 3:00: Bob Bullwinkel, Kim Morin**  
**Arts Integration and Common Core Teachers Workshop Prek-8**
