

Visual and Performing Arts Forum

- Meet with Leaderships Teams of High Performing Elementary Schools
- Discover how your school can include an arts education for all students
- Network with schools exploring new pathways to innovations in learning
- Learn why developing the skills of imagination will unlock the keys to our future!
- Eat mass quantities of delicious food and make new friends

Guest Speaker

Dr. Victoria Stevens, offering the latest research on how the arts play a key role in brain development, and how to use brain-based teaching techniques to improve student learning
