

# Practical Behavioral and Learning Tools for Teachers Working with Foster Children in the Classroom

## DAY 2

Join us for this day-long workshop for teachers and administrators **as we learn to apply strategies** that facilitate students' mastery of emotional regulation skills in order to promote learning and academic success.

**Day:** Wednesday, June 8, 2011

**Time:** 8:00 – 3:00 (lunch provided)

**Where:** Enterprise/Union Rooms  
Hollister School District Office  
2690 Cienega Road, Hollister

To register for this free event, call:  
Annabelle Alvarez at 630-6321

***Hollister School District teachers will be reimbursed the hourly rate for attending.***

Dr. Victoria Stevens

Victoria Stevens, Ph.D. is a clinical psychologist, psychoanalyst, arts education specialist, and researcher. She is on the faculty at California Institute of the Arts - School of Critical Studies, the Santa Barbara Graduate Institute for Infant and Child Development and is a Training and Supervising Analyst and faculty member of the Newport Psychoanalytic Institute.

She has been a frequent keynote speaker at educational and psychological conferences around the state of California, the US and Europe. Her upcoming book is entitled "*The Creative Classroom: Education, Neurobiology and the Developing Imagination*" from W.W. Norton publishing.
